The Westchester Town Center BID would request that the marijuana shop located at 6218 Manchester, Suite D in Westchester, CA 90045, which began operations well outside all City guidelines, be identified for immediate enforcement by the City Attorney's Office.

BID representatives, other adjacent businesses, Neighborhood Council representatives, and LAPD have long suffered in frustration at the damages caused by this illegal operation because, we were told, "the City was unable to act." It is therefore welcome to see that the new City Attorney is beginning effective enforcement and we request priority action with respect to this store that has so openly flaunted the law.

Please let me know as we can assist further in any way. Thank you.
